RIGHTS OF THE PHYSICALLY HANDICAPPED VOTER

(Election Code Section 14234)

14234. Assistance to voter.

When a voter declares under oath, administered by any member of the precinct board at the time the voter appears at the polling place to vote, that the voter is then unable to mark a ballot, the voter shall receive the assistance of not more than two persons selected by the voter.

No person assisting a voter shall divulge any information regarding the marking of the ballot.

In those polling places which do not meet the requirements specified by the State Architect for accessibility by the physically handicapped, a physically handicapped person may appear outside the polling place and vote a regular ballot. Such person may vote

the ballot in a place which is as near as possible to the polling place and which is accessible to the physically handicapped. A precinct board member shall take a regular ballot to such person, qualify such person to vote, and return the voted ballot to the polling place. In those precincts in which it is impractical to vote a regular ballot outside the polling place, absentee ballots shall be provided in sufficient numbers to accommodate physically handicapped persons who present themselves on election day. The absentee ballot shall be presented to and voted by a physically handicapped person in the same manner as a regular ballot may be voted by such person outside the polling place.

WORDS YOU NEED TO KNOW for THIS SPECIAL ELECTION

by Ballot Simplification Committee

ABSENTEE BALLOT—If you are going to be away on election day, or if you cannot get to the place where you vote because you are physically disabled, you can get a special ballot to fill out. This ballot is called an absentee ballot. You get this ballot from the Registrar of Voters at City Hall. See page 23.

CHALLENGE—Any citizen can ask an officer at the polling place to challenge any voter if the citizen thinks the voter does not live at the address given on the registration form.

INITIATIVE—This is a way for voters to put a proposition on the ballot for people to vote on. The Initiative Charter Amendment on this ballot was put there by getting 22,547 qualified voters to sign petitions.

PETITION—A list of signatures of voters who agree that a certain idea or question should be on the ballot.

POLLING PLACE—The place where you go to vote.

PROPOSITION—This means anything that you vote on except candidates. If it deals with city government, it will have a letter—such as "Proposition A".

SUPERVISORS—The Board of Supervisors makes the laws for San Francisco, and approves all money spent by the city government. The Board of Supervisors adopts the city budget and sets the city tax rate. The Supervisors do not control the budgets of the Community College or the School District. The Supervisors can put propositions on the ballot for people to vote on. Supervisors are paid \$9,600 per year.

SUPERVISORS ELECTED AT LARGE

PROPOSITION A

Provides for the election of members of the Board of Supervisors at large rather than by district.

Analysis

By Ballot Simplification Committee

THE WAY IT IS NOW: Since 1976 the members of the Board of Supervisors have been elected by district. There are eleven districts in San Francisco (as shown on map). Voters in each district elect one Supervisor who must live in that district. Supervisors are elected for four year terms and run for election in November of odd-numbered years.

THE PROPOSAL: Proposition A would repeal district election of Supervisors. All eleven supervisors would be elected by the entire city. They would have to live in the city but not in any particular area.

Supervisors would be elected for four year terms and would run for election in November of even-numbered years.

A YES VOTE MEANS: If you vote yes, you want the Board of Supervisors to be elected by the voters of the entire city and not by district.

A NO VOTE MEANS: If you vote no, you want the Board of Supervisors to continue to be elected by district.

Controller's Statement on "A"

City Controller John C. Farrell has issued the following statement on the fiscal impact of Proposition A:

"Should the initiative Charter Amendment be passed by the electorate, it is my opinion that it would not, of itself, materially affect the cost of government."

SUPERVISORS ELECTED AT LARGE

ARGUMENT IN FAVOR OF PROPOSITION A

YES ON "A"

It's time to Pick Up the Pieces and Put San Francisco Back Together Again

For the past four years San Francisco has been a divided city.

Until 1976 every San Francisco voter had the right to participate in the election of all eleven members of the Board of Supervisors. Now we have the right to vote on **one** member of the Board every **four** years.

The supporters of district elections promised that supervisors would be more representative, that it would cost less to run for the board, and that most city problems would be solved if only supervisors were elected by districts.

Let's look at what has happened since we have had district elections:

- Instead of being more representative, the supervisors have tried to become well-paid, full-time politicians;
- Instead of reducing the cost of running for office, they have made it more costly. In fact, Supervisors Bardis and Britt each spent more than \$90,000 to get elected from a district;

ARGUMENT IN FAVOR OF PROPOSITION A

Vote YES ON "A"! This is a simple issue! A YES vote means you get back ALL ELEVEN of your supervisorial votes!

You can then participate again in the selection of **ALL ELEVEN** of the City's Supervisors, rather than **one chance** to vote for **one Supervisor** every **FOUR YEARS!**

Vote YES ON "A" if you want **all eleven** Supervisors to be **directly accountable** to **YOU**, and need **YOUR** vote to be elected!

Are you tired of hearing: "See your own Supervisor; you don't live in my District?"

We have given the District system a fair trial. It has proven to be divisive and disastrous! We need a Board with an acceptable level of economic common sense and courtesy. While some Supervisors are doing an excellent job, a significant number of the present members have proven to be totally incompetent Socialist radicals who violently oppose our free enterprise system of Government. They are obviously unqualified to frugally manage the affairs of our **BILLION** dollar a year Corporation effectively. They just don't know how.

Instead of devoting their maximum efforts towards solving the outrageous **DIRECT COSTS** of Muni's

• Instead of solving City problems, they have spent their time trying to raise taxes, playing political games, and wrangling over things they can't affect anyway, such as the civil war in Nicaragua.

We need supervisors who really represent our interests. Do Supervisors Walker, Bardis, Silver and Britt really represent your thinking? If not, there isn't much you can do about it because now you only get one chance every four years to vote for one supervisor.

Proposition A offers us a chance to reunite San Francisco ... to pick up the pieces and put the City back together again.

It will allow you once again to have a say in electing all eleven supervisors — and that's important because they all vote on your taxes and on the issues that are important to every citizen of San Francisco.

So please vote on August 19 — and please vote YES on Proposition A.

Committee to Reunite San Francisco
Terry A. Francois

operations, (\$1.50 per ride!), skyrocketing sewer service charges, a desperate housing shortage, a local tax cost of \$2,256.00 PER CAPITA. (Triple that of 1967!), local minority unemployment, and the development of thoughtful priorities in the spending of our stunning \$1.08 BILLION dollar budget, they drone on, arguing about stop signs in their neighborhoods, legalizing marijuana, or whether we should withhold military aid to Nicaragua!

Vote YES ON "A", then let's add some economically sophisticated, knowledgeable, dedicated candidates to dramatically upgrade the caliber of Supervisors taking office next January!

They must have CITYWIDE support and respect, combined with talent and wisdom, and a deep concern for the prosperity and well being of ALL San Franciscans, in ALL districts, irrespective of age, race, color, creed, or sexual orientation.

Where Supervisors choose to sleep at night is totally irrelevant! It's performance that counts!

Get ALL ELEVEN of your Supervisorial votes back with a YES vote on "A"!

SUPERVISORS ELECTED AT LARGE

ARGUMENT IN FAVOR OF PROPOSITION A

What Happened to Minority Rights?

The supporters of district elections, made a lot of promises about better representation for minorities, especially for the Chinese and Latino citizens of San Francisco.

What happened? There are no members of either of these important communities on the Board of Supervisors today and, even worse! their influence on the people who do serve on the Board has been almost completely wiped out by the district election system.

When we had at-large elections, we all had a chance to vote, for eleven supervisors. All eleven

supervisors had to pay attention to us.

Under the present system! we only get one vote on one supervisor and the other ten supervisors don't even care what we think.

District elections was another phony promise that watered down the influence of minorities and left us out of the picture.

A YES vote on Proposition A will help reunite the City and give us all a voice in City Hall.

George Y. Chinn
Former Supervisor

ARGUMENT IN FAVOR OF PROPOSITION A

Let's Vote Together Again!

Minorities, particularly blacks, were taken in by district elections.

Our limited voting strength was divided, cut up into eleven feeble segments. Now most Supervisors can ignore us with impunity.

Let's get smart. Let's stop being tools of politically ambitious activists. Let's use our citywide combined voting strength to influence all the Supervisors.

Vote Yes on Proposition 'A'

Percy Corke
Hadie Redd

ARGUMENT IN FAVOR OF PROPOSITION A

Argument Against District Elections

The present system of electing Supervisors in San Francisco by district elections is Undemocratic and Unamerican and should be changed.

Every person seeking to be a Supervisor of San Francisco should be required to present his respective qualifications to the entire San Francisco electorate, the whole body of persons entitled to vote.

Without the right to vote by the electorate for all persons seeking to be a supervisor in this City, San Franciscans are subjected to TAXATION AND REGULATORY LAWS WITHOUT REPRESENTATION AND ARE DEPRIVED OF THEIR RIGHT TO CHOOSE WHO WILL BE THEIR SUPERVISORS.

STOP THIS UNDEMOCRATIC SYSTEM OF DISTRICT ELECTIONS.

STOP THIS UNAMERICAN SYSTEM OF DISTRICT ELECTIONS.

VOTE YES, FOR AMERICA.

VOTE YES, FOR SAN FRANCISCO.

VOTE YES, FOR FREEDOM OF CHOICE.

VOTE YES, FOR THE DEMOCRATIC WAY.

VOTE YES, FOR THE AMERICAN WAY.

ARGUMENT IN FAVOR OF PROPOSITION A

Don't be impressed by prominent names and groups opposing "A".

are at stake.

They cannot afford to shake up the machine.

ARGUMENT IN FAVOR OF PROPOSITION A

Vote "YES".

Get the right to vote for all eleven Supervisors.

Unless supporters vote and voter fraud is minimized, it won't pass!

Section 29610, Election Code: Any person who attempts to commit fraud, who aids or attempts to aid or abet fraud, in connection with any vote cast or to be cast is guilty of a felony punishable by imprisonment

for 16 months or two to three years.

D.A. Smith has promised strict enforcement of all election laws.

Report instances of possible fraud to the District Attorney (553-1752) or Registrar (558-3417).

John Barbagelata

ARGUMENT IN FAVOR OF PROPOSITION A

Vote "YES".

Believe it or not, a powerful coalition of radical groups (socialists/communists) almost completely controls your Supervisors. Until recently the most prominent group in the coalition was the People's Temple.

The coalition is expert in voter fraud. It is the most powerful coalition in the City and manipulates the Supervisors like puppets.

Under the present system, which it promoted, it is now almost impossible to be elected Supervisor without its support.

For all practical purposes it controls billions in City funds, and like it or not, it indirectly sets most of City policies and laws.

John Barbagelata
Retired Supervisor.

A

SUPERVISORS ELECTED AT LARGE

ARGUMENT AGAINST PROPOSITION A

WE ASK YOU TO VOTE NO BECAUSE:

1. District Supervisors are and have been more accountable to, more responsive to, and more aware of the needs of the people of San Francisco.
2. San Francisco had city-wide elected Supervisors for 47 years. The district elections system deserves more than 2½ years to prove itself to the people.
3. City-wide election of supervisors has been rejected twice in the last four years by the people of San Francisco. This special election is both disruptive and costly — a waste of over \$500,000!

Let's get on with the business of governing the city.

VOTE NO! NO! NO!

ARGUMENT AGAINST PROPOSITION A

Vote No on Tuesday, August 19th

With City departments facing budget cuts and the spectre of library and firehouse closings facing us, a small special-interest group has forced yet another summer special election on the City, costing us over \$500,000. The people behind Proposition A are the sore losers who can't accept the verdict of the voters, expressed in 1976 and re-affirmed by a margin of over 25,000 votes in 1977. How many times must we vote on this issue? Why is it necessary to spend our scarce tax dollars on another special election? One thing is clear — the interests that put Proposition A on the ballot didn't mind wasting your money when they controlled the Board, and they don't mind wasting it now!

Proposition A Means Chaos

If A passes, chaos will follow. It would force all eleven Supervisors, including those elected just eight months ago, to run again in November. Perpetual election campaigns are good for printers and button-makers, but the people are being short changed. There is serious work for our legislators to do, and

they can't do their jobs with the very system of government under constant attack.

No Need to Change

District elections are working. Relations between the Mayor and the Board are more harmonious than they have been in years. The City's affairs are more closely scrutinized than ever before. Fiscal policy is more tightly and responsibly controlled. Since the first district Board was elected in 1977, not one general obligation bond has been placed before the voters, which means we're finally living within our means.

Neighborhoods Need Representation

The people who want a return to at-large elections, to the days of special interest, checkbook politics, when only big contributors had a dominant role at City Hall, are selling us a bill of goods. The people of San Francisco's neighborhoods finally have a voice and some control over the way their tax dollars are spent. Let's keep that control.

Jack Webb, Chairperson

San Franciscans for District Elections-80

ARGUMENT AGAINST PROPOSITION A

District elections move the process of government closer to the people by providing citizens with direct access to their supervisors. To repeal District Elections is to deprive San Franciscans of this fundamental right of direct representation.

SUPERVISORS ELECTED AT LARGE

ARGUMENT AGAINST PROPOSITION A

Twice in the past four years, the voters of San Francisco have said emphatically that they want district elections. Their mandate left no room for doubt or quibble.

Our short experience with district representation shows plainly that it has done what it was supposed to do. It broke the "downtown" stranglehold on the Board of Supervisors. It broke the direct link between big money and political power in San Francisco.

It has distributed political power fairly and equitably among the city's districts. It has made the supervisors more accessible, more responsive as it was supposed to do. It has given new voices to minorities, to neighborhood groups that had seldom before been heard in City Hall.

In the light of this record, the proponents of this proposition stand out clearly as disappointed officeholders and frustrated power-grabbers, irresponsible, insensitive to the waste of hard-earned tax money, anxious only to reopen the flow of contributions from Montgomery street to the supervisors' chambers.

We urge you to vote NO. Keep political power in your hands. Say NO one more time.

Timothy Twomey, President

John F. Crowley, Secretary-Treasurer
San Francisco Labor Council

ARGUMENT AGAINST PROPOSITION A

Save District Elections and your neighborhood's voice in City Government.

City wide election of Supervisors (Proposition A) is designed to mislead, deceive and distort representative government in San Francisco. For the first time in the history of San Francisco, Supervisors would be elected in the middle of a Presidential campaign —

bringing partisan politics into non-partisan Races.

Keep non-partisan local elections on a District Basis. Save District Elections and preserve your neighborhood's voice in City Government. Vote NO on Proposition A Tuesday, August 19th.

At a special municipal election to be consolidated with the direct primary in 1972 seven members of the board of education shall be elected at large. At the general election in 1980, eleven members of the board of supervisors shall be elected at large. All of the aforesaid officials, except as set forth herein, shall be elected for a term of four years, from the commencement of their respective terms as herein specified.

Notwithstanding any provisions of this section or any other section of the charter to the contrary, the respective terms of office of the members of the board of supervisors who shall hold office on the 8th day of January, 1981, shall expire at twelve o'clock noon on said date and the eleven persons elected as members of the board of supervisors at the general election in 1980 shall succeed to said offices on said 8th day of January, 1981. The respective terms of office of the members of the board of supervisors elected at the general election in 1980 shall be as follows: the six members receiving the highest number of votes respec-

tively at said election shall hold office for a term of four years; the five members receiving the next highest number of votes respectively at said election shall hold office for a term of two years. Thereafter, the term of each member elected to the board of supervisors shall be four years from the commencement of his term as herein specified.

At the general election in 1982 there shall be elected five members of the board of supervisors to succeed those members thereof whose respective terms of office expire on the 8th day of January, 1983, and at the general election in each fourth year after 1982, the successors to said five members of the board of supervisors shall be elected, and at the general election in 1984, there shall be elected six members of the board of supervisors to succeed those members thereof whose respective terms of office expire on the 8th day of January, 1985, and at the general election in each fourth year after 1984, the successors to said six members of the board of supervisors shall be elected.

The respective terms of the members of the board of education who shall hold office on the 8th day of August, 1972, shall expire at twelve o'clock noon on said day, and the persons elected as members of the board of education at a special municipal election to be consolidated with the direct primary in 1972 shall succeed to said offices at twelve o'clock noon on said 8th day of August, 1972. The respective terms of office of the members of the board of education elected at a special municipal election to be consolidated with the direct primary in 1972, shall be as follows: The four members receiving the highest number of votes respectively at said election shall hold office for a term consisting of the period of time until the 8th day of January, 1975. Thereafter, the term of each member elected to the board of education shall be four years from the commencement of his term as herein specified.

Except as set forth herein, all terms of office of elective officials shall commence at twelve o'clock noon on the 8th day of January following the date of their election.

((Notwithstanding any other provisions of this section, the respective terms of office of the members of the board of supervisors who shall hold office on the

8th day of January, 1978, shall expire at twelve o'clock noon on said date, and shall be for a term of two years rather than four years, and the eleven persons elected as members of the board of supervisors at the general municipal election in November, 1977, shall succeed to said offices on said 8th day of January, 1978. At the next regular meeting of the board of supervisors, the board shall determine, by lot, whether the supervisors elected from the even- or odd-numbered supervisorial districts at the general municipal election in 1977 shall have terms of office expiring at noon on the 8th day of January, 1980, and which shall have terms of office expiring at noon on the 8th day of January, 1982; commencing, however, with the general municipal election in November, 1979, the terms of office of the supervisors elected from the even- or odd-numbered supervisorial districts, as the case may be, shall be for a term of four years and shall continue as such thereafter.

((The provisions of Section 9.104 of this charter, relating to the manner of placing name of candidates for office on the ballots; the provisions of Section 9.105 of this charter, relating to the mailing of a copy of the qualification statement of each candidate for elective office to each registered voter; and the provisions of Sections 9.108 and 9.111 of this charter, relating to recall of elective officials, shall not apply to the election or recall of members of the board of supervisors, but provision for the foregoing shall be set forth in an ordinance which shall be adopted by the board of supervisors pursuant hereto; provided, however, that adoption of such ordinance by the board of supervisors shall be solely for the purpose of applying the provisions of Sections 9.104, 9.105, 9.108 and 9.111 of this charter to the election or recall of supervisors by districts, and shall not otherwise alter or diminish the provisions of said sections as to election or recall of supervisors.))

No person elected mayor or supervisor shall be eligible, for a period of one year after his last day of said service as mayor or supervisor, for appointment to any full-time position carrying compensation in the city and county service.

((Should any provision of the amendment to this section be held invalid, the remainder of the amendment shall not be affected thereby. Should the amendments to this section not be approved by the legislature of the State of California or fail for any other reason, so that the offices of the eleven supervisors are not elected by districts at the general municipal election to be held in November, 1977, as in this section provided, then in that event the election of eleven supervisors by districts shall commence with and at the general municipal election to be held in November, 1979, and all of the provision of these amendments regarding terms of office of supervisors shall be applicable thereto modified only with regard to calendar dates.))

9.104 Nomination of Elective Officers

The name of a candidate for an elective office shall be printed upon the ballot when a declaration of candidacy and certificates of not less than twenty nor more than thirty sponsors shall have been filed on his behalf and when the nominations shall have been made in the following manner: The candidate not more than seventy-five days before the municipal election in November shall file with the registrar a declaration of his candidacy in the form prescribed by the registrar for all candidates including statements of his qualifications not to exceed one hundred words subscribed by him before the registrar. The registrar shall forthwith certify to the said subscription and its date and retain and file the declaration. The candidate shall pay to the registrar at the time of filing his declaration of candidacy a sum equal to two percent (2%) of the current annual salary for the office for which he is a candidate. In lieu of such filing fee a candidate may submit to the registrar signatures of voters registered in San Francisco as provided in the general laws of this state. After said declaration shall have been signed, certified and filed, and not later than sixty days before the election each candidate shall file with the registrar, on forms published by him, not less than twenty nor more than thirty sponsors, who are electors qualified to vote at the said municipal election and who shall sign and certify under the penalty of perjury to the qualifications of said candidate.

In the event the registrar shall refuse to file such declaration of candidacy, petition in lieu of filing fee or certificate of a sponsor thereof, he shall forthwith designate in writing on the declaration, petition or certificate the defect thereof, or other reason for refusing to file the same and shall return the same to party tendering it. No defect in any declaration, petition or certificate presented to the registrar shall prevent the filing of another declaration, petition or certificate within the period allowed for presenting the declaration, petition or certificate. The name of every candidate who has been duly and regularly nominated shall be placed on the ballot under the title of the office for which he is a candidate, provided that a candidate whose nomination has been completed, may, not less than fifty days before a municipal election, withdraw as a candidate by filing with the registrar his withdrawal naming the office: such withdrawal must be signed and sworn to by the person withdrawing.

The name of every municipal candidate ((except supervisorial candidates)) who has been nominated for an office to be elected throughout the city and county as hereinbefore provided shall be placed on the ballot in accordance with the general laws of the state under the heading of the office for which said candidate has

been nominated in the following manner: ((In elections to be held when there are no supervisorial elections)) the name of the candidate highest on the list of candidates for any particular office shall be printed last on the ballot under the proper heading for said office in the lowest numbered assembly district in the city and county. Thereafter, in each succeeding assembly district the name of the candidate appearing first for said office in the last preceding assembly district shall be placed last and the order of the names of the other candidates for said office shall remain unchanged. ((In elections to be held when there are supervisorial elections, the name of the candidate highest on the list of candidates for any particular office shall be printed first on the ballot under the proper heading for said office in the lowest numbered supervisorial district in the city and county. Thereafter in each succeeding district, the name of the candidate appearing first for said office in the last preceding supervisorial district shall be placed last and the order of the names of the other candidates for said office shall remain unchanged.))

In the event that the number of candidates in any group shall exceed the number of assembly districts ((or supervisorial districts)) in the city and county then the total number of candidates in such group shall be divided by the number of assembly districts ((or supervisorial districts)) and the quotient of said division, if an integral number, or, if it be a fractional number, then the next highest integral number shall be the number of candidates to be taken from the beginning of the list of said candidates and placed at the end of said list of candidates in each succeeding assembly district ((or supervisorial district)).

Immediately under the name of each candidate and not separated therefrom by any line may appear at the option of the candidate one of the following designations:

(a) Words designating the city, county, district or state office which the candidate then holds. Such designations shall not include a party affiliation of the candidate.

(b) If the candidate be a candidate for the same office which he then holds and only in that event the word "incumbent."

(c) The profession, vocation or occupation of the candidate in not more than nine words.

In all cases words so used shall be printed in eight-point roman boldface capitals and lower-case type.

No incumbent shall have any further preference in the location of his name on said ballot unless the same is permitted by this section.

The registrar shall preserve in his office for a period of four years all candidates declarations, petitions and all sponsors certificates filed in accordance with this section.
