ARGUMENT FOR PROPOSITION B

Proposition "B"—Steinhart Aquarium Bonds

The San Francisco Grand Jury issued a special report on conditions at Steinhart Aquarium, in Golden Gate Park, making two observations:

1. The Steinhart Aquarium is "one of the city's most valuable and desirable assets".

2. The Steinhart Aquarium, built thirty-five years ago, has reached "an appalling state of disrepair".

Save Our Steinhart Aquarium

The Grand Jury report put all San Francisco on notice—either Steinhart Aquarium, valuable as it is to the city, must be rehabilitated promptly, or it will be forced to close.

Unanimous Recommendations

Proposition "B" was approved unanimously by the Mayor's bond screening committee and the San Francisco Board of Supervisors. Both reviewed the proposition carefully to protect the taxpayer's investment in Steinhart Aquarium.

CONTROLLER'S STATEMENT PURSUANT TO CHARTER SECTION 183 PROPOSITION "B"

Recreation and Park Bonds, 1958. To incur a bonded indebtedness in the sum of \$1,575,000 for the improvements and reconstruction of Steinhart Aquarium in Golden Gate Park.

Should the proposed \$1,575,000 Recreation and Park Bonds, 1958, for the improvements and reconstruction of the Steinhart Aquarium in Golden Gate Park be authorized and when all bonds shall have been issued, it is estimated that the cost of debt service will be as follows:

Bond redemption	\$1,575,000
Bond interest	346,500
	<hr/>
Total debt service requirement	\$1,921,500

When sold, it is estimated that the average annual debt service requirement on a 15-year basis will be approximately \$128,100 per year. This sum of \$128,100, based upon the current assessment roll, is equivalent to one cent in the tax rate annually for 15 years.

HARRY D. ROSS, Controller,
City and County of San Francisco.

PROPOSITION C

Adds Charter Section 35.8.1; authorizes Board of Supervisors to appropriate and Chief of Police to expend not to exceed \$25,000 in a fiscal year for narcotic enforcement.

CHARTER AMENDMENT

Describing and setting forth a proposal to the qualified electors of the City and County of San Francisco to amend the Charter of said city and county by adding Section 35.8.1 thereto to provide for a narcotic fund, not exceeding \$25,000, to be disbursed by the Chief of Police.

The Board of Supervisors of the City and County of San Francisco hereby submits to the qualified electors of said city and county at an election to be held therein on June 3, 1958, a proposal to amend the charter of said city and county by adding Section 35.8.1 thereto, so that the same shall read as follows:

CHIEF OF POLICE NARCOTIC FUND

Section 35.8.1. The board of supervisors shall have the power to appropriate to the police department an amount not to exceed in any one fiscal year the sum of \$25,000 to be known as the narcotic fund of the chief of police. The chief of police may from time to time, disburse such sums from such fund as in his judgment shall be for the best interests of the city and county in the enforcement of the narcotic laws, and the police commission shall allow and order paid out of such narcotic fund, upon orders signed by the chief of police, such amounts as may be required.

Ordered Submitted—Board of Supervisors, San Francisco, March 3, 1958.

Ayes: Supervisors Blake, Casey, Dobbs, Ertola, Ferdon, Halley, McCarty, McMahon, Rolph, Sullivan, Zirpoli.

I hereby certify that the foregoing was ordered submitted by the Board of Supervisors of the City and County of San Francisco.

ROBERT J. DOLAN, Acting Clerk.

CONTROLLER'S STATEMENT PURSUANT TO CHARTER SECTION 183 PROPOSITION "C"

Charter Amendment adding Section 35.8.1 thereto to provide for a fund of \$25,000 to be used in connection with the enforcement of the narcotic laws by the Chief of Police.

Should proposition "C" be enacted the maximum increase in the cost of government of the City and County of San Francisco would be \$25,000 annually which, based on the current assessment roll, is equivalent to nineteen one-hundredths of one cent in the tax rate annually.

HARRY D. ROSS, CONTROLLER
City and County of San Francisco

PROPOSITION D

Adds Charter Section 24.1; authorizes Board of Supervisors to enact ordinances and execute agreements to provide for the State collection of uniform local sales and use taxes.

CHARTER AMENDMENT

Describing and setting forth a proposal to the qualified electors of the City and County of San Francisco to amend the charter of said city and county by adding Section 24.1 thereto, relating to excise taxes and the uniform administration and operation of such taxes under the laws of the State of California.

The Board of Supervisors of the City and County of San Francisco hereby submits to the qualified electors of the City and County of San Francisco at an election to be held therein on June 3, 1958, a proposal to amend the charter of said city and county by adding thereto Section 24.1, to read as follows:

Section 24.1. Notwithstanding any of the provisions of Section 24 or any other provisions of this charter, the board of supervisors shall have the power to enact an ordinance that will be in accordance with the provisions of Part 1.5 of Division 2 of the Revenue and Taxation Code of the State of California and any amendments thereto, insofar as said Part 1.5 of Division 2, as amended, provides for uniform local sales and use taxes, and it may enact such other ordinances and authorize the execution of such agreements as may be necessary or convenient to insure the imposition and collection of such taxes.

Ordered Submitted—Board of Supervisors, San Francisco, March 24, 1958.

Ayes: Supervisors Blake, Casey, Dobbs, Ertola, Ferdon, Halley, McCarty, McMahon, Rolph, Sullivan, Zirpoli.

I hereby certify that the foregoing Charter amendment was ordered submitted by the Board of Supervisors of the City and County of San Francisco.

ROBERT J. DOLAN, Clerk.

ARGUMENT FOR PROPOSITION D

Vote "Yes" on Proposition D

Charter Amendment D will return to San Francisco approximately \$3,500,000 in sales tax revenue which is now being paid by San Francisco to other counties.

Charter Amendment D will not levy any new taxes of any kind, or adopt any new sales or purchase tax law. It will not add a cent to the tax now paid by the citizens of San Francisco on their purchases.

What it will do is bring to San Francisco's treasury the \$3,500,000 in taxes upon goods which is paid by purchasers living outside San Francisco. This is equivalent to a 26.3c reduction in our tax rate.

San Francisco taxpayers have a \$3,500,000 stake in this additional revenue which will not cost them a cent.

Vote "Yes" on Proposition D

A "Yes" vote on Proposition "D" is endorsed by:

Retail Merchants Association

Retail Dry Goods Association of San Francisco

Down Town Association

Motor Car Dealers Association of San Francisco, Inc.

San Francisco Chamber of Commerce

On April 14, 1958, the Board of Supervisors authorized the foregoing argument for inclusion in the election pamphlet for June 3, 1958, by the following vote:

Ayes: Supervisors Blake, Casey, Dobbs, Ertola, Ferdon, Halley, McCarty, McMahon, Rolph, Sullivan, Zirpoli.

ROBERT J. DOLAN, Clerk.

CONTROLLER'S STATEMENT PURSUANT TO CHARTER SECTION 183

PROPOSITION "D"

Charter Amendment adding Section 24.1 thereto, relating to excise taxes and the uniform administration and operation of such taxes under the laws of the State of California.

Should proposition "D" be enacted, and should the Board of Supervisors enact the legislation permitted thereby, based upon the current level of taxable sales, it is estimated that San Francisco will receive approximately \$3,500,000 additional revenue annually which, basically, is now going to other counties. The addition of this amount of \$3,500,000 to the revenues of the city, based on the current assessment roll, is equivalent to a reduction of twenty-six and three tenths cents in the tax rate annually.

HARRY D. ROSS, CONTROLLER
City and County of San Francisco

PROPOSITION E

Amends Charter Sections 35, 35.3, 35.4, 35.5 and adds Charter Section 35.5.3; provides for retitling and creation of ranks in the Police Department and method of setting rates of compensation thereof.

The Board of Supervisors of the City and County of San Francisco hereby submits to the qualified electors of the City and County of San Francisco at an election to be held therein on June 3, 1958, a proposal to amend the charter of said city and county by amending sections 35, 35.3, 35.4, and 35.5 thereof, and by adding section 35.5.3 thereto, so that the same shall read as follows:

NOTE: Additions or substitutions are indicated by **bold-face type**; deletions are indicated by ((double parentheses)).

Section 35. The police department shall consist of a police commission, a chief of police, a police force and such clerks and employees as shall be necessary and appointed pursuant to the provisions of this charter, and shall be under the management of a police commission consisting of three members, who shall be appointed by the mayor, and each of whom shall receive an annual compensation of twelve hundred dollars (\$1,200). The term of each commissioner shall be four years, commencing at twelve o'clock, noon, on the 15th day of January in the years, 1945, 1946 and 1948, respectively. The incumbents serving as members of the commission on the effective date of this amendment shall continue to hold their respective positions, subject to the provisions of the charter, for the remainder of the terms for which they have been respectively appointed.

The police commissioners shall be the successors in office of the police commissioners holding office in the city and county at the time this amendment shall become effective, and shall have all the powers and duties thereof, except as in this charter otherwise provided. They shall have power to regulate traffic, including the location and use of traffic control devices for that purpose.

The bureau of traffic engineering and administration, which may be known as the traffic bureau, is hereby established under the jurisdiction of the police commission. The bureau shall be in charge of a ((traffic director)) **deputy chief for traffic division**, who shall have powers and duties relating to street traffic, subject to laws relating thereto and to the police commission, as follows: (a) to regulate all street traffic; (b) to promote traffic safety education and to receive, study and give prompt attention to complaints in relation to street traffic; (c) to collect, compile, analyze and interpret traffic data, including traffic accident information; to engage in traffic research and traffic planning; to review the design of the traffic facilities of the city

The powers and duties of the ((traffic director)) **deputy chief for traffic division** hereinabove stated shall not modify to any extent the powers and duties of any department or office, but shall be, first for the purpose of assisting the police commission in its regulation of traffic, and, second, for the purpose of recommendation only, to other departments or offices upon matters within their jurisdiction, but affecting to any extent the regulation of traffic.

Section 35.3. The chief of police may detail from time to time members of the department for performance of duty in the ((bureau of inspectors)) **detective division**, the juvenile bureau, the accident investigation bureau, ((the bureau of special services)) **the vice control bureau**, the narcotics bureau of the detective division, and the intelligence unit, who shall be known as ((assistant inspectors)) **detectives second grade**, and who may be removed from such detail and returned to their civil service rank and position by order of the chief of police. An appointment as ((inspector)) **detective first grade or detective second grade** shall not be subject to competitive examination. In case of vacancy in said rank of ((inspector)) **detective first grade** in the ((bureau of inspectors)) **detective division**, the appointment shall be made by the chief of police from among those ((assistant inspectors)) **detectives second grade** who have been detailed to, and who have actually served with the ((bureau of inspectors)) **detective division** for at least two years prior to such appointment. The chief of police may appoint ((inspectors)) **detectives first grade** in the juvenile bureau, the accident investigation bureau, ((the bureau of special services)) **the vice control bureau**, the narcotics bureau of the detective division, and the intelligence unit; such appointments shall be made from among those ((assistant inspectors)) **detectives second grade** who have been detailed to, and have actually served as such ((assistant inspectors)) **detectives second grade** in the bureau or unit in which the appointment is made for at least two (2) years prior to such appointment. Service as assistant inspector shall be deemed service as detective second grade for the purpose of appointment as detective first grade; and any service as assistant inspector in the bureau of special services shall be deemed service as detective second grade in the narcotics bureau of the detective division for the purpose of appointment as a detective first grade in such bureau. The number of ((inspectors)) **detectives first grade** at any one time in the juvenile bureau, the accident investigation bureau, ((the bureau of special services)) **the vice control bureau**, the narcotics bureau of the detective division, and the intelligence unit shall not be greater than a collective total of twenty-five (25) ((inspectors)) **detectives first grade**.

Members of the department holding an appointment as inspector on the first day of the month immediately following the effective date of this amendment shall be deemed appointed as detective first grade and members of the department detailed and assigned as assistant inspectors on said date shall be deemed to be detailed and assigned as detectives second grade.

((Inspectors)) **Detectives first grade** and ((assistant inspectors)) **detectives second grade** shall have the same rights as other members of the depart-

ment to take competitive examinations from their respective civil service ranks. ((An inspector)) A **detective first grade** guilty of any offense or violation of the rules and regulations of the police department shall be subject to punishment as provided in section 155 of this charter; provided, however, that in addition to the punishments set forth in section 155 ((an inspector)) a **detective first grade** may be demoted to his civil service rank for any offense or violation set forth in said section and after trial and hearing before the police commission as set forth therein. The chief of police, in addition to the ((inspectors)) **detectives first grade** above provided for, shall detail any member of the department to serve as inspector of school traffic patrols who shall have rank and pay of ((inspector)) **detective first grade**, subject to the provisions of this section.

Section 35.4. Subject to the provisions of section 20 of this charter governing the appointment and removal of non-civil service appointees, and without competitive examination, the chief of police shall have power to appoint a police surgeon; to designate ((a deputy chief of police, a department secretary, and a director, bureau of special services,)) an assistant chief of police, a deputy chief of administration, a secretary to the chief, an aide to the assistant chief, a secretary to the police commission, a director, vice control bureau, and a director, planning and research bureau, from any rank in the department; to designate a ((director of traffic)) deputy chief for traffic division from among the members of the police department holding rank of lieutenant or higher; to designate a ((chief of inspectors)) deputy chief for detective division from among the members of the department holding the rank of captain; to designate a director, bureau of criminal information, from among the members of the department having the rank of sergeant or higher; to designate from among the members of the department holding rank of lieutenant or higher, a captain of ((inspectors)) **detectives**, who shall be administrative assistant to the ((chief of inspectors)) deputy chief for detective division, a captain of traffic, and a director, bureau of personnel; and to designate a ((supervising captain of districts)) deputy chief for patrol division from among the members of the department holding the rank of captain. ((The department secretary or other suitable member of the department shall be assigned by the chief of police to serve also as secretary to the police commission without extra compensation.)) The chief of police shall assign a property clerk from among the members of the department, such assignment shall be made at the rank and pay of the member so assigned.

When any member of the department, detailed to any of the positions above mentioned, shall be removed from said detail or position, he shall be returned to his civil service rank and position, unless removed from the department pursuant to the provisions of section 155 of the charter.

To assist the ((director of traffic)) deputy chief for traffic division, an engineer shall be assigned by the chief administrative officer from the office of the city engineer to the bureau of traffic engineering and administration, and such other personnel shall be provided as may be necessary, in accordance with civil service, fiscal and other requirements of the charter, all of whom shall be paid the salaries of their respective ranks or classifications.

of police)) assistant chief of police, ((director of traffic)) deputy chief for traffic division, ((chief of inspectors)) deputy chief for detective division, ((supervising captain of districts)) deputy chief for patrol division, ((department secretary)) deputy chief of administration, captain of ((inspectors)) detectives, captain of traffic, director of bureau of personnel, director of bureau of criminal information, director of vice control bureau, captains, criminologist, aide to the assistant chief, director of planning and research, secretary to the chief of police, secretary to the police commission, lieutenants, ((director of bureau of special services, inspectors,)) detectives first grade, sergeants, photographer, detectives second grade, police surgeon, police officers, police patrol drivers and women protective officers. The absence of any police officer, woman protective officer, or police patrol driver on military leave, as defined by section 153 of this charter, shall be reckoned a part of his service under the city and county, for the purpose of computing years of service in gaining added compensation as provided for herein.

Section 35.5.3. The rates of compensation for the following ranks in the department for the remainder of the fiscal year in which this section becomes effective shall be recommended by the police commission and as fixed by the board of supervisors: chief of police, assistant chief of police, deputy chief for traffic division, deputy chief for detective division, deputy chief for patrol division, deputy chief of administration, director of vice control bureau, captain of detectives, aide to the assistant chief, director of planning and research, secretary to the police commission, secretary to the chief of police, detectives first grade, detectives second grade.

ROBERT J. DOLAN, Clerk.

ARGUMENT FOR PROPOSITION E

Proposition E will serve to streamline the San Francisco Police Department by providing a long-needed reorganization of the Department, based on independent studies conducted by the Police Commission, the Chief of Police, and a nationally-known expert on Police Administration.

These proposed reorganizational changes are geared to the facilities which will be provided in the new, modern Hall of Justice, to the end that maximum efficiency in terms of police services will be rendered to the citizens of the City and County of San Francisco.

This structural plan will provide for retitling of existing positions in keeping with designations as used by modern police departments throughout the nation, and also provide the Chief of Police with a sounder and more direct chain of command, thereby accomplishing greater over-all departmental efficiency.

This Proposition will give to the citizens of the City and County of San Francisco a modern, effective and progressive Police Department.

Noes: Supervisor Halley.

ROBERT J. DOLAN, Clerk.

CONTROLLER'S STATEMENT PURSUANT TO CHARTER SECTION 183 PROPOSITION "E"

Charter Amendment amending Sections 35, 35.3, 35.4 and 35.5 thereof, and adding Section 35.5.3 thereto, relating to the Police Department.

Should proposition "E" be enacted, it would create in the Police Department new positions and re-title some of the existing positions and further it would provide a formula for the salaries which will attach to such positions based on future administrative recommendation and legislative determination. Therefore, there is no present basis for making a calculation of costs.

PROPOSITION F

Adds Charter Section 36.3; provides for fixing the rates of compensation of Chief and Deputy Chief, Fire Department.

CHARTER AMENDMENT

Describing and setting forth a proposal to the qualified voters of the City and County of San Francisco to amend the charter of said city and

county by adding section 36.3 thereto relating to the compensation of the chief of fire department and the deputy chief of department.

The Board of Supervisors of the City and County of San Francisco hereby submits to the qualified electors of the City and County of San Francisco at an election to be held therein on June 3, 1958, a proposal to amend the charter of said city and county by adding section 36.3 thereto so that the same shall read as follows:

NOTE: Additions or substitutions are indicated by bold-face type.

Section 36.3. The rates of compensation for the following ranks in the fire department for the remainder of the fiscal year in which this section becomes effective shall be recommended by the fire commission and as fixed by the board of supervisors: chief of department and deputy chief of department.

The board of supervisors shall thereupon have power, and it shall be its duty, to provide that the rates of compensation so fixed shall become effective on the first day of the month immediately following the effective date of this section and shall be in lieu of the rates of compensation previously fixed for such ranks for such fiscal year; and it shall have power, and it shall be its duty, but without reference or amendment to the annual budget, to amend the annual appropriation ordinance and the annual salary ordinance for the fiscal year in which this section becomes effective to include the provisions necessary for paying the compensations fixed as herein provided for the remainder of such fiscal year out of such funds as the controller certifies are available for the purpose, and to enact such other legislation as may be necessary to effectuate the provisions of this section and section 36.2 of this charter.

For the next succeeding fiscal year and for each fiscal year thereafter the rates of compensation for such ranks shall be fixed in the manner provided by section 36.2 of this charter.

Ordered Submitted—Board of Supervisors, San Francisco, March 24, 1958.

Ayes: Supervisors Blake, Casey, Dobbs, Ertola, Ferdon, Halley, McCarty, McMahon, Rolph, Sullivan, Zirpoli.

I hereby certify that the foregoing charter amendment was ordered submitted by the Board of Supervisors of the City and County of San Francisco.

ROBERT J. DOLAN, Clerk.

CONTROLLER'S STATEMENT PURSUANT TO CHARTER SECTION 183 PROPOSITION "F"

Charter Amendment adding Section 36.3 thereto relating to the compensation of the Chief of Fire Department and the Deputy Chief of Department.

Should proposition "F" be enacted, it would provide a formula for salaries in the Fire Department which will attach to the positions of chief of department and deputy chief of department, based on future administrative recommendation and legislative determination. Therefore, there is no present basis for making a calculation of costs.
