### DESCRIBING AND SETTING FORTH

a proposal to the qualified electors of the City and County of San Francisco, State of California, to amend the Charter of said City and County by amending Sections 10 and 12 of Article XII, and Section 29 of Article XVI thereof, relating to bonds issued for the acquisition of public utilities and the character of such bonds, the registration thereof, and the levy of taxes to provide for the interest thereon and a sinking fund therefor, and to bonds issued for the acquisition of land or lands and the construction or acquisition of any permanent building or buildings, improvement or improvements, and the character and registration of such bonds and the proceedings for the issuance thereof.

The Board of Supervisors of the City and County of San Francisco, State of California, at the City and County of San Francisco, at the County of San Francisco, therein on the 10th day of March, 1907, a proper order of said

That Section 10 of Article XII of the Charter be amended to read as follows:

Section 10. The bonds issued under the provisions of this article shall be of such form as the Supervisors in the ordinance calling the election therefor shall determine; but such bonds shall be payable, interest and principal, in gold coin of the United States. The interest on such bonds shall not exceed 5 per cent per annum, and they shall be redeemed at such times and in such amounts as the Supervisors shall determine, as set forth in the ordinance calling the special election; provided, that redemption of such bonds shall begin in not more than eighteen years and shall be completed in not more than seventy-five years from the date of the issue.

The bonds so issued shall be exempt from all taxation for municipal purposes and shall be issued in denominations of not less than ten dollars and not more than one thousand dollars, and preference in the sale and allotment thereof shall be given to subscribers

for the smallest amounts and the lowest denominations.

The Supervisors shall fix the times and places at which the payment of interest or principal may be made.

Such bonds when issued may be sold by the Supervisors from time to time, as required, and in such quantities as they may determine. When such bonds are offered for sale they shall be advertised in the official paper and otherwise if so ordered by the Supervisors and sealed proposals for the purchase of the whole or any part thereof offered shall be opened at the time specified in such advertisements. All proposals for the purchase of such bonds shall be accompanied by a deposit of 5 per cent of the amount bid in lawful money of the United States or by a deposit of a certified check payable to the Clerk of the Board of Supervisors of the City and County for a like sum, provided that no deposit need exceed the sum of ten thousand dollars, and that no deposit need be given by the State of California, which money or check shall be forfeited by the bidder in case he fails to accept and pay for the bonds bid for by him if his bid is accepted. Bonds shall be sold to the highest bidder for not less than par, but the Supervisors shall have the right to reject any or all bids made for the purchase thereof. If less than the amount of bonds offered shall be sold, the Supervisors may, with the concurrence of fourteen members and the Mayor, place such unsold bonds on sale at the Treasury, or at branches thereof established by the Treasurer for public convenience; and such bonds may be sold to any applicant at such prices as may be fixed by the Supervisors, provided that such prices shall not be less than par and accrued interest.

The proceeds of any sale of bonds shall be placed in the treasury to the credit of the proper fund, and shall be applied exclusively to the purposes and objects mentioned in the ordinance authorizing their issue until such objects are fully accomplished; after which, if any surplus remains, such surplus may be transferred to the general fund, except that if such surplus exceeds the sum of two thousand dollars, then such surplus and the whole thereof shall be transferred to the appropriate fund or funds to pay the interest and maintain

sinking fund or provide for the retirement of the bonded indebtedness in connection with which such surplus remains.

If the bonds or any of them offered for sale shall remain unsold the Supervisors may so declare, and may, with the concurrence of fourteen members and the Mayor, cancel such unsold bonds, provided that no bonds shall be cancelled as aforesaid unless the same have been offered for sale by advertisement, as above provided, at least three separate times at intervals of not less than thirty days, and provided that no such bonds shall be cancelled by the Supervisors as aforesaid for which par or above has been bid by any bona fide responsible bidder or bidders.

The provisions of this section, regarding the cancellation of unsold bonds, shall apply to any bonds that have been heretofore issued or to any bonds that have been heretofore authorized by a vote of the electors of the City and County under this section or under Section 29 of Article XVI of this Charter, and that remain unsold after efforts to sell the same shall have been made as above provided.

Whenever the owner of any coupon bond, or of any bond payable to bearer, already issued or hereafter issued by the City and County shall present any such bond to the Treasurer with a request for the conversion of such bond into a registered bond, such Treasurer shall cut off and cancel the coupons of any such coupon bond so presented, and shall stamp, print or write upon such coupon bond or such other bond payable to bearer, so presented, either upon the back or upon the face thereof, as may be convenient, a statement to the effect that the said bond is registered in the name of the owner, and that thereafter the interest and principal of said bond are payable to the registered owner. Thereafter, and from time to time, any such bond may be transferred by such registered owner in person, or by attorney duly authorized on presentation of such bond to Treasurer, and the bond be again registered as before, a similar statement being stamped, printed or written thereon. Such statement stamped, printed or written upon any such bond may be in substantially the following form:

(Date—giving month, year and day.)

This bond is registered pursuant to Charter of the City and County of San Francisco, State of California, in the name of \_\_\_\_\_ (here insert name of owner), and the interest and principal thereof are hereafter payable to such owner.

\_\_\_\_\_  
Treasurer.

After any bond shall have been registered as aforesaid the principal and

interest of such bond shall be payable to the registered owner. Such Treasurer shall keep in his office a book or books which shall, at all times, show what bonds are registered and in whose names, respectively.

That Section 12 of Article XII of the Charter be amended to read as follows:

Section 12. At the time of levying the municipal tax, and in the manner provided for such tax levy, the Supervisors shall levy and collect annually a tax sufficient to pay the annual interest on such bonds and also such part of the bonded municipal indebtedness as will fall due within the succeeding fiscal year, and as may be necessary to provide for the sinking fund payments of the next succeeding fiscal year; provided that when the interest and sinking fund payments for any fiscal year on the bonds issued for any public utility can be met out of the surplus earnings of such public utility for the preceding fiscal year, no tax shall be levied for such purpose. Such taxes shall be in addition to all other taxes levied for municipal purposes, and shall be collected at the same time and in the same manner as other municipal taxes are collected.

That Section 29 of Article XVI of the Charter be amended to read as follows:

Section 29. When the Supervisors shall determine that the public interest requires the acquisition of any land or lands or the construction or acquisition of any permanent building or buildings, improvement or improvements, the cost of which, in addition to the other expenses of the City and County, will exceed the income and revenue provided for the City and County for any one year, they must, by ordinance, submit a proposition or propositions to incur a bonded indebtedness for such purpose or purposes to the electors of the City and County at a special election to be held for that purpose only. All provisions of this Charter, as the same shall read at the time of submitting such propositions to the electors, providing for the acquisition of public utilities, so far as the same are applicable, shall apply to the manner of submitting such proposition or propositions, to the issuance, character and registration of said bonds and to the time when, and the kind of money in which said bonded indebtedness shall be payable.

The proceeds of any sale of bonds shall be placed in the Treasury to the credit of the proper fund and shall be applied exclusively to the purposes and objects mentioned in the ordinance authorizing their issuance until such objects are fully accomplished, after which, if any surplus remains, such surplus may be transferred to the general fund, except that if such fund exceeds the sum of two thousand dollars,

then such surplus and the whole thereof shall be transferred to the appropriate fund or funds to pay the interest and maintain the sinking fund or provide for the retirement of the bonded indebtedness in connection with which such surplus remains.

#### DESCRIBING AND SETTING FORTH

a proposal to the qualified electors of the City and County of San Francisco, State of California, to amend the Charter of said City and County by amending Section 2 of Chapter III of Article IV thereof, relating to the custody by the Treasurer of public funds and authorizing their deposit in certain banks upon certain terms and conditions.

The Board of Supervisors of the City and County of San Francisco hereby submits to the qualified electors of said City and County, at the general election to be held therein on the 5th day of November, 1907, a proposal to amend the Charter of said City and County by amending Section 2 of Chapter III of Article IV thereof, to read as follows:

Section 2. The Treasurer shall receive and safely keep all moneys which shall be paid into the Treasury. Except as hereinafter provided, he shall not lend, exchange, use nor deposit the same, or any part thereof, to or with any bank, banker or person; nor pay out any part of such moneys, nor allow the same to pass out of his personal custody, except upon demands authorized by law or this Charter, and after they shall have been approved by the Auditor. At the close of business each day, he shall take an account of and enter in the proper book the exact amount of money on hand. At the end of every month he shall make out and file with the Mayor and publish quarterly in the official newspaper a statement of the condition of the treasury, showing the amounts of receipts into and payments from the treasury, and on what account, and out of what fund. If he violate any of the provisions of this section, he shall be guilty of misconduct in office, and be liable to removal therefrom, and be proceeded against accordingly. He shall keep the accounts belonging to each fund separate and distinct, and shall in no case pay demands chargeable against one fund out of moneys belonging to another. He shall be in personal attendance at his office each day during office hours. No fees of any kind shall be retained by him, but the same, from whatever source received or derived, shall be paid by him into the treasury.

All moneys paid into the treasury of the City and County may be deposited by the Treasurer, upon the written consent of the Mayor, in any licensed national bank or banks, within this State or in any bank, banks or corporations authorized and licensed to do a banking business, and organized under the laws of this State, provided that such bank or banks in which such moneys are deposited shall furnish as security for such deposits, bonds of the United States or of this State, or of any County, Municipality or School District within this State, approved by the Treasurer and the City Attorney. The market value of the bonds furnished as security, shall be at least 10 per cent in excess of the amount of the deposit secured thereby; but the amount of the deposit shall in no case exceed the face value of the bonds furnished as security therefor. And provided that such bank or banks shall pay a reasonable rate of interest, not less than 2 per cent per annum, on the daily balances therein deposited.

The rate of interest shall be fixed annually as herein provided in the month of January of each year on all deposits to be made for such year; provided, that the rate of interest for the year ending December 31, 1907, may be fixed as herein provided within ten days after this section goes into effect. The rate of interest shall be fixed by the Treasurer, the Auditor and the Mayor, and the same reported in writing to the Board of Supervisors immediately. Said rate of interest shall be a reasonable rate and not less than 2 per cent per annum on the daily balances deposited; and the rate of interest so established for each year as herein provided, shall be the uniform rate of interest required from all banks receiving deposits from the City and County for that year. Interest on all moneys deposited as herein provided for shall belong to the City and County and shall be paid quarterly into the general fund of the City and County except where the law or this Charter otherwise directs.

It shall be the duty of the Treasurer to receive from the bank in which the deposit is made a receipt or receipts in duplicate, showing the date and amount of deposit and rate of interest to be paid thereon, one copy of which said Treasurer shall keep on file in his office and he shall file one copy with the Auditor.

The Treasurer shall keep a record in his office, which shall be open to public inspection, showing at all times the amount of money on deposit in all banks in which the same is deposited, and dates of deposit; also a record of all banks making application for the deposit of the public funds.

The total amount of public moneys on deposit in any bank shall not at any time exceed 50 per cent of the paid-up

capital stock of such depository bank or banks. The Treasurer shall not have on deposit at any one time more than 10 per cent of the public moneys under his control and available for deposit in any bank while there are other qualified banks requesting such deposits, provided, that the Treasurer shall not be required to deposit public moneys in any bank outside of the City and County.

The receipt issued by any bank for deposits made therein, together with the bonds held as security therefor, shall be held by the Treasurer and be recognized and counted as cash to the amount recited in the receipt by the officers required by law to count the same.

Deposits, with interest thereon, shall be subject to withdrawal on demand of the Treasurer, conjointly with that of the Mayor, and any bank receiving the deposit of public moneys, may, at any time, return the same to the Treasurer, together with interest to date of return, and it shall be the duty of the Treasurer, upon receiving the return of such deposit, to immediately return to such bank all bonds held as security for the deposit returned. When the Treasurer withdraws his deposit, he shall return, on the demand of the bank, such bonds as were held as security for the deposit or portion thereof withdrawn.

Should any bank fail to pay any public moneys held on deposit as herein provided, the Treasurer (with the written consent of the Mayor) may, after ten days' written notice to such bank, proceed to sell at public or private sale such of the bonds held by him as security as he may see fit; provided, however, that he shall sell no bonds for less than their face value except at public sale, after ten days' printed notice in the official newspaper. The proceeds of such sale, after paying all expenses, shall be credited to the account of the bank, which deposits the bonds as collateral. Any bank failing to make payment may, at any time before the sale of the bonds is completed, stop such sale by repaying all the moneys deposited with it, together with any expense that may have been incurred by the Treasurer as the result of such failure. Should the proceeds of any such sale fail to fully repay any deposit, the balance remaining unpaid may be collected in an action at law in the name of the City and County.

The Treasurer shall not be responsible for any loss of public moneys resulting from the deposit thereof, when made in accordance with the provisions of this act. It shall be the duty of the Treasurer to safely keep all evidence of indebtedness issued by banks for deposits made therein and bonds deposited as security and the Treasurer shall be

responsible for such evidence of indebtedness and for bonds held as security therefor, together with the interest thereon and the proceeds of any sale of such bonds; and the Treasurer shall be responsible to such bank for the safe return of the securities furnished by it to the Treasurer.

The expenses of transportation of moneys to or from the Treasury to such depositories shall be borne by such depositories.

Nothing in this section contained shall prevent the City and County from buying bonds or otherwise investing its money in any manner now provided by law or this Charter and nothing herein contained as to the disposition of interest and public moneys deposited shall apply to any money received or held by the City and County wherein any law or this Charter provides for the payment of interest or profit thereon into any particular fund.

Section 21. All contracts shall be drawn under the supervision of the City Attorney, and shall contain detailed specifications of the work to be done, the manner in which it shall be executed, and the quality of the material to be used.

Every contract entered into by the board shall be signed by all the members thereof, and by the other contracting party. All contracts shall be signed in triplicate, one of which, with the specifications and drawings, if any, of the work to be done, and materials to be furnished, shall be filed with the Clerk of the Supervisors; one thereof, with said specifications and drawings, shall be kept in the office of the board,

and the other, with said specifications and drawings, shall be delivered to the contractor.

The contract shall specify the time within which the work shall be commenced, and when to be completed, as was specified in the notice inviting proposals therefor. Upon the recommendation of the Board, the Supervisors may extend said time, but in no event shall the time for the performance of said contract be extended by the Supervisors more than 90 days beyond the time originally fixed for its completion; but, on the unanimous recommendation of the Board of Public Works, a further extension may be granted by vote of fourteen members of the Board of Supervisors.

In case of failure on the part of the contractor to complete his contract within the time fixed in the contract, or within such extension of said time as is herein provided, his contract shall be void, and the Supervisors shall not thereafter pay or allow to him any further compensation for any work done by him under said contract; and in the case of the improvement of streets, where the work is to be paid for by assessment levied upon real property, no assessment shall be made for the work done under said contract.

Any contract may provide for progressive payments if in the ordinance authorizing or ordering the work permission is given for such a contract. But no progressive payments can be provided for or made at any time

which, with prior payments, if there have been such, shall exceed in amount at that time 75 per cent of the value of the labor done and materials furnished and used up to that time, and no contract shall provide for or authorize or permit the payment of more than 75 per cent of the contract price before the completion and acceptance by the proper officer or board of the work done under said contract.

(1) Whenever any public utility shall be operated by the City and County, the receipts from such utility shall be paid daily into the city treasury and maintained in a special fund set aside for such utility. The Supervisors may, from time to time, make appropriations from such funds for the following purposes:

- (a) For the payment of the operating expenses of such utility;
- (b) For repairs and reconstruction;
- (c) For payment of interest and

sinking fund on the bonds issued for the acquisition or construction of such utility;

(d) For extensions and improvements;

(e) For a reserve fund.

(2) Whenever the reserve fund shall exceed one-half of the payment for operating expenses in the preceding fiscal year, the Supervisors shall have the power to appropriate such excess to the general fund.

(3) The City and County, when owning any public utility, shall keep the books of account for such public utility distinct from other City and County accounts and in such manner as to show the true and complete financial results of such municipal ownership, or ownership and operation, as the case may be. Such accounts shall be so kept as to show the actual cost to the City and County of the public utility owned; all costs of maintenance, extension and improvement; all operating expenses of every description, and in case of such municipal operation, the amounts set aside for sinking fund purposes. If any service shall be furnished for the use of such public utility without charge, the accounts shall show as nearly as possible the value of such service, and also the value of such similar service rendered by the public utility to any other municipal department without charge; such accounts shall also show reasonable allowances for interest, depreciation and insurance, and also estimates of the amount of taxes that would be chargeable against such property if owned by a private corporation. The Supervisors shall cause to be printed annually for public distribution a report showing the financial results, in form as aforesaid, of such municipal ownership and operation. The accounts of such public utility, kept as aforesaid, shall be examined at least once a year by an expert accountant, who shall report to the Supervisors the result of his examination. Such expert accountant shall be selected in such manner as the Supervisors may direct, and he shall receive for his services such compensation, to be paid out of the income or revenues from such public utility, as the Supervisors may prescribe.

DESCRIBING AND SETTING FORTH  
a proposal to the qualified electors of the City and County of San Francisco, State of California, to amend the Charter of said City and County by adding to Chapter 2, Article II thereof,

a new section to be known and numbered as Section "9," relating to the sale of lands by the City and County.

The Board of Supervisors of the City and County of San Francisco hereby submits to the qualified electors of said City and County, at the general election to be held therein on the 5th day of November, 1907, a proposal to amend the Charter of said City and County by adding to Chapter 2, Article II thereof, a new section to be known and numbered as "Section 9," and to read as follows:

Section 9. The City and County of San Francisco shall have power to sell all lands owned by the City and County between Ninth street and Eighteenth street lying in what was formerly Mission Creek, and any and all lands that may be hereafter acquired, excepting lands for parks, squares and children's playgrounds, and the Board of Supervisors of said City and County may by ordinance determine that the public interest or necessity demands the sale of such lands, so owned or held by the City and County.

Such ordinance must describe the lands to be sold, and the terms of sale, which must be for cash in United States gold coin. The land may be sold in one parcel or in subdivisions, as the Supervisors may, in such ordinance, determine, and sales shall be made by the Mayor, as hereinafter provided.

Every such sale must be at public auction, unless the Supervisors shall, in and by such ordinance, determine that all or a portion of such lands shall be sold at private sale.

When a sale at public auction is to be had, the Clerk of the Board of Supervisors must give notice thereof by publishing the same in the official newspaper, and one other daily newspaper published in the City and County, at least three weeks successively next before the sale, which said notice shall describe the lands to be sold, with common certainty.

Such sales at public auction must be made in the City and County, and must be between the hours of 9 o'clock in the morning and 5 o'clock in the afternoon, and must be made on the day named in the notice of sale, unless the same is postponed.

When it shall have been determined by the Supervisors, as hereinbefore provided, that the sale of such lands shall be at private sale, a notice shall be published in the official newspaper, and one other daily newspaper published in the City and County, for two weeks successively next before the day on or after which the sale is to be made, and the land and tenements to be sold must be described therein with common certainty. The notice must

state a day on or after which the sale will be made, and must state that all bids or offers will be received by the Mayor of the City and County, at his office. The day last referred to must be at least fifteen days from the first publication of notice; and the sale must not be made before that day, but must be made within six months thereafter. The bids or offers must be in writing, and must be filed with the Mayor, at his office.

No sale of real estate at private sale shall be confirmed by the Supervisors as hereinafter provided, unless the sum offered shall be at least 90 per cent of the appraised value thereof, to be fixed and determined as next hereinafter provided.

An appraisement of such lands shall be made and filed with the Supervisors, within three weeks after the final passage of the ordinance hereinbefore mentioned, by the Mayor, the Assessor, and the chairman of the Finance Committee of the Supervisors, who are hereby constituted a board of appraisement for such purpose.

When a sale shall have been made by the Mayor, at public auction or at private sale, as hereinbefore provided, he shall require from the person to whom the property is sold a deposit amounting to 10 per cent of the sum bid. He shall immediately thereafter, at the next meeting of the Supervisors, report the fact of such sale to the Supervisors, with a statement of the sum bid, and the name of the bidder, with a request that the Board confirm such sale.

The Clerk of the Supervisors shall immediately thereupon give notice by publication in the official newspaper, and one other daily newspaper published in the City and County, that at a meeting of the Supervisors, to be held not less than twenty, nor more than thirty days, from the first publication of such notice, that such sale has been made, the amount for which the property has been sold, and the name of the purchaser. Such notice shall also contain a statement that at such meeting, if an offer of 10 per cent more in amount than that named in said notice shall be made to the Supervisors, in writing, by a responsible person, the Supervisors will confirm such sale to such person, or order a new sale, as hereinafter provided.

At such meeting, if it appears to the Supervisors that the sum bid is not disproportionate to the value of the property sold, and that a greater sum cannot be obtained, or if an increased bid, as hereinbefore mentioned, be made and accepted, the Board of Supervisors may, by an ordinance, passed by an affirmative vote, of at least fifteen of its members, confirm such sale, and

direct conveyances to be executed by the Mayor. A certified copy of such ordinance shall be recorded in the County Recorder's office in the County in which the property is situated.

The Board of Supervisors may, in its discretion, confirm or refuse to confirm any sale.

In the event of the refusal of the Board of Supervisors to confirm the sale, all proceedings taken as hereinbefore provided, for the sale of the lands shall be void and of no effect.

If the sale is confirmed by the Board of Supervisors, conveyances must thereupon be made by the Mayor to the person to whom the sale shall have been so confirmed, and shall be delivered to him upon payment of the balance of the purchase price. Such conveyances shall be in the name of the City and County, and shall be effective to convey all the right, title and interest of the City and County in and to the lands therein described, to the grantee therein named.

## CHARTER AMENDMENT

### No. 11

#### DESCRIBING AND SETTING FORTH

a proposal to the qualified electors of the City and County of San Francisco, State of California, to amend the Charter of said City and County by repealing Section 20, Chapter III, Article VI of said Charter, and by adding a new chapter to said Article of said Chapter, to be known and designated as Chapter 6 thereof, all relating to the change or modification of street grades and the performance of street work in connection therewith.

The Board of Supervisors of the City and County of San Francisco hereby submits to the qualified electors of said City and County, at the general election to be held therein on the 5th day of November, 1907, a proposal to amend the Charter of said City and County as follows:

That Section 20 of Chapter III of Article VI of said Charter, providing for the change or modification of street grades, be repealed.

That a new Chapter be added to Article VI of said Charter, to be known and designated as Chapter VI of said Article. Said Chapter to read as follows:

#### CHAPTER VI. RELATING TO THE MODIFICATION OR CHANGE OF STREET GRADES AND THE PERFORMANCE OF STREET WORK IN CONNECTION THEREWITH.

Section 1. The Board of Supervisors is hereby empowered, on the written

recommendation of the Board of Public Works, to change or modify the grade of any public street, avenue, lane, alley, place or court to the grade set out in such recommendation, and to regrade, repave, sewer, sidewalk, curb or otherwise improve the same, so as to conform to such change or modified grade in the manner as hereinafter provided. Before any change of grade is attempted, the Board of Supervisors shall pass a resolution of intention to make such change or modification of grade, and it shall in the same resolution, when regrading, repaving, sidewalking, sewerage, curbing, or other improvement on such street or streets is contemplated in connection therewith, define and establish the district benefited and to be assessed for the payment of damages and for the expense of regrading, repaving, sewerage, sidewalking, curbing, or otherwise improving such street or streets so as to conform with such change or modified grade; and it shall have power at the same time and in the same resolution to provide for the actual cost of performing the work of regrading, repaving, sewerage, sidewalking, curbing or otherwise improving such street or streets or portion or portions thereof with the same or other material with which it was formerly graded, paved, sewered, sidewalked, curbed or otherwise improved, briefly describing the work to be done and providing that the cost of the same shall also be assessed upon the same district which is declared to be benefited by such change or modified grade. When a change or modification of grade or grades is proposed to be made upon a street, avenue, alley, lane, court or place, which has already been sewered, paved, curbed or graded, no such change or modification of such grade or grades shall be made unless provision shall also be made for the resewerage, repaving, recurbing, or regrading of such street, avenue, alley, lane, court or place. One or more streets or blocks of streets may be embraced in the same resolution. Such resolution shall be published in the official newspaper. Such publication shall be made for ten days, and shall describe the proposed change or modification of grade, and when such resolution contemplates such work it shall describe the regrading, repaving, sewerage, sidewalking, curbing or other improvement so contemplated, and shall set forth and describe the district to be benefited by such change or modification of grade or regrading, repaving, sewerage, sidewalking, curbing or other improvement, and to be assessed for the damages and cost of making the same. Within ten days after the first publication of the resolution of intention the Board of

Public Works shall cause to be conspicuously posted along all streets within the district defined in the resolution, or, when no such district is defined, along the street or streets upon which such change or modification of grade or grades is contemplated, notice of the passage of said resolution. Said notices shall be posted not more than one hundred feet apart and shall be headed "Notice of Grade Change" or "Notice of Grade Change and Street Work," as the case may be, in letters not less than two inches in length, and shall, in legible characters, state the fact of the passage of the resolution, its date, the fact of the proposed grade change, and, if any, briefly the work or improvement proposed, and refer to the resolution for further particulars. When no improvements are provided for in connection with the said change or changes of grade or grades, if no protest of the owners of two thirds of the property fronting on the street or streets, the grade or grades of which is to be changed or modified, shall be filed with the Clerk of the Board of Supervisors within forty days from the first publication of the resolution of intention hereinbefore mentioned, the Board of Supervisors shall have power to declare such grade or grades to be changed or modified and established, in conformity with said resolution; and when such improvement or improvements are contemplated in connection with such change, or changes of grade or grades, if no protest of the owners of a majority of the superficial area of the property included within the assessment district defined in said resolution of intention shall be filed with the Clerk of the Board of Supervisors within forty days from the first publication of said resolution hereinbefore mentioned, the Board of Supervisors shall also have the power to order any of the work contemplated therein to be done, and such street or streets to be regraded, repaved, sewered, sidewalked, curbed or otherwise improved in conformity therewith.

Section 2. In case the resolution of intention provides for regrading, repaving, sewerage, sidewalking, curbing or otherwise improving said street or streets, to said changed or modified grade, any person owning property fronting upon said portions of the street or streets where such street work is to be done, may file a petition with the Board of Public Works within sixty days after the first publication of said resolution of intention, showing the fact of such ownership, a description and situation of the property claimed to be damaged, its market value, and the estimated amount of damages over and above all benefits which the property

would sustain by the proposed change if completed. Such petition shall be verified by the oath of the petitioner or his agent. A failure so to petition shall be deemed and treated as a waiver of any claim for such damage or damages, and said resolution of intention shall so declare.

Section 3. Whenever such petition or petitions have been filed, the Board of Public Works shall estimate and assess the benefits, damages and costs of the proposed work or improvement upon each separate lot of land situated within such assessment district as said lot appears of record upon the last City and County assessment roll.

Section 4. The Board of Public Works shall have power to subpoena witnesses to appear before them to be examined under oath, which any member of the Board of Public Works is authorized to administer.

Section 5. The Board of Public Works having determined the damages which would be sustained by each petitioner, in excess of all benefits, shall proceed to assess the total amount thereof, together with the costs, charges and expenses of the proceedings, upon the several lots of land benefited within the district of assessment, so that each of the lots shall be assessed in accordance with its benefits caused by such work or improvements.

Section 6. The Board of Public Works shall make their report in writing, and shall subscribe to and file the same with the Board of Supervisors. In such report they shall describe separately each piece of property which will sustain damage and for which damages have not been waived, stating the name of the owner, if known, and the amount of damages each will sustain over and above all benefits. They shall also describe separately each lot benefited within said assessment district, the name of the owner, if known, and the amount of benefits in excess of the damages assessed against the same. In describing the lots to be assessed, reference may be had to a diagram of the property in such assessment district, such diagram to be attached to and made a part of the report of the Board of Public Works. If in any case the Board of Public Works shall find that conflicting claims of title exist, or shall be in ignorance or doubt of the ownership of any lot of land, or any improvement thereon, or any interest therein, it shall be set down as belonging to unknown owners. Error in designation of the owner or owners of any land or improvement or particulars of their interest, shall not affect the validity of the assessment.

Section 7. On the filing of said report, the Clerk of the Board of Super-

visors shall give notice of such filing by the publication of a notice for at least ten days in the official newspaper. Said notice shall require all persons interested to show cause, if any they have, before the Board of Supervisors, on a day to be fixed by the said Board and stated in said notice, which day shall not be less than twenty days from the first publication thereof, why such report should not be confirmed.

Section 8. All objections filed in response to said notice to show cause shall be in writing and filed with the Clerk of the Board of Supervisors, who shall, at the next meeting after the date fixed in the notice to show cause, lay the said objections, if any, before the Board of Supervisors, which shall fix a time not less than fifteen days thereafter for hearing the same, of which time the Clerk shall notify the objectors by notice published in the official newspaper for a period of five days and by depositing a notice, postage prepaid, in the United States post-office at San Francisco, addressed to each objector at his last known place of residence, at least ten days before the date of such hearing. At the time set, or at such other time to which the hearing may be adjourned, the Board of Supervisors shall hear such objections and pass upon them, and at such time shall proceed to pass upon such report and may confirm, correct or modify the same, or may order the Board of Public Works to make a new assessment, report and plat, which shall be filed, notice given and had, as in the case of the original report.

Section 9. After the report of the Board of Public Works as to the damages caused by such change of grade has been finally passed upon by the Board of Supervisors, such Board of Public Works shall prepare detailed plans and specifications subject to the approval of the Board of Supervisors, for regrading, paving, sewerage, sidewalk, curbing or otherwise improving such street or streets as set forth in said resolution of intention and shall then advertise for bids to perform the work of regrading, repaving, sewerage, sidewalk, curbing or otherwise improving such street or streets, as the case may be, with the same or other material with which the same have been formerly graded, paved, sewerage, sidewalked, curbed or otherwise improved; first causing a notice, with such specifications to be posted conspicuously for fifteen days in or near the office of the Board of Public Works, inviting sealed proposals or bids for doing such work, and shall also cause notice of said work, inviting said proposals and referring to the specifications posted and already on file, to be

published five days in the official newspaper. All proposals or bids offered shall be accompanied by a check payable to the order of the Clerk of the Board of Supervisors, and certified by a responsible bank for an amount which shall not be less than 10 per cent of the aggregate of the proposal, or by a bond for said amount, signed by the bidder and two sureties, who shall justify under oath in double said amount over and above all the statutory exemptions. Said proposals or bids shall be delivered to the Secretary of the Board of Public Works, and said Board of Public Works shall, in open session, examine and declare the same; provided, however, that no proposal or bid shall be received unless accompanied by a check or a bond satisfactory to the Board of Public Works. The Board of Public Works may reject any or all bids and may award the contract to the lowest responsible bidder, or may readvertise for proposals or bids for the performance of the work, as in the first instance, and thereafter proceed in the manner in this section provided; all checks accompanying bids shall be held by the Secretary of the Board of Public Works until the successful bidder has entered into a contract as herein provided, and in case he refuses so to do, then the amount of his certified check shall be declared forfeited to the city and shall be collected and paid into its general fund, and all bonds so forfeited shall be prosecuted and the amount thereof collected and paid into the said fund. Notice of the awards of the contracts shall be published and posted in the same manner as hereinbefore provided for the advertising for proposals for such work. Before being entitled to a contract, the successful bidder must advance to the Secretary of the Board of Public Works, for payment by him, the cost of publication of the notices, resolutions, orders, or the incidental expenses and matters required under the proceedings described by this Chapter.

Section 10. After such contract has been awarded and entered into, the Board of Public Works shall proceed to assess the cost and expense of doing such work upon all the lots and land lying within the district to be assessed, distributing the same so that each lot will be assessed for its proportion of the same according to the benefits it receives from the work. The Board of Public Works in making such assessment shall also include therein the total amount for which each lot, or tract is assessed for the damages resulting from the regrading, repaving, sewerage, sidewalk, curbing or otherwise improving such street or streets; provided, no assessment for such damages

and cost and the expense of such work shall be levied upon any property which will amount to a sum greater than 50 per centum of the value at which said property was assessed upon the last preceding assessment book of the City and County.

Section 11. The Secretary of the Board of Public Works shall forward to the Board of Supervisors a certified copy of the report and assessment as finally adopted by the Board of Public Works, whereupon such report and assessment shall be changed, modified or confirmed by the Board of Supervisors, and upon such modification, change, or confirmation thereof, shall be returned to the Board of Public Works and shall thereupon be the assessment roll. Immediately upon receipt thereof by the Board of Public Works, the assessment therein contained shall become due and payable and shall be a lien upon all the property contained or described therein.

Section 12. The Board of Public Works shall thereupon give notice by publication for ten days in the official newspaper, that it has received said assessment roll, and that all sums levied and assessed in said assessment roll are due and payable immediately, and that the payment of said sums are to be made to the Board of Public Works within thirty days from the date of the first publication of said notice. Said notice shall also contain a statement that all assessments not paid before the expiration of said thirty days will be declared to be delinquent; that thereafter the sum of 5 per cent upon the amount of said delinquent assessment, together with the cost of advertising each delinquent assessment, will be added thereto. When payment of any assessment is made to said Board of Public Works, the Secretary thereof shall write the word "paid" and the date of payment opposite the respective assessments so paid, and the name of the person by or for whom said assessment is paid, and shall give a receipt therefor. On the expiration of said thirty days all assessments then unpaid shall be and become delinquent and the Secretary of the said Board of Public Works shall certify such fact at the foot of said assessment roll, and shall add 5 per cent to the amount of each assessment so delinquent. The said Secretary of the Board of Public Works shall, within five days from the date of such delinquency, proceed to advertise the various sums delinquent and the whole thereof, including the cost of advertising, which shall not exceed the sum of 50 cents for each lot, piece or parcel of land separately assessed, in the same manner as is or may be provided for the publication of the delinquent list of State and County taxes;

and after the date of said delinquency and before the time of such sale therein provided for, no assessments shall be received unless at the same time the 5 per cent added thereto, as aforesaid, together with the cost of advertising already incurred, shall be paid therewith. Said list of delinquent assessments, with a notice of the time and place of sale of property affected thereby, shall be published daily for five days in the official newspaper, before the sale of property for such delinquent assessments. Said time of sale must not be less than seven days from the date of the first publication of said delinquent assessment list, and the place must be in or in front of the office of the Secretary of the Board of Public Works. All property sold shall be subject to redemption for one year and in the same manner as in sales for delinquent State and County taxes; and the Secretary of the Board of Public Works shall, if there be no redemption, make and deliver to the purchaser at such sale a deed conveying the property sold and may collect for each certificate 50 cents, and for each deed \$1. The deed of the Secretary of the Board of Public Works, made for such sale, in case of failure to redeem, shall be prima facie evidence of the regularity of all proceedings thereunder, and that all title is in the grantee. The Secretary of the Board of Public Works shall, from time to time, pay over to the City Treasurer all moneys collected by him, or by the Board of Public Works, on account of such assessments, which the City Treasurer shall, upon receipt thereof, place in a separate fund, designating each fund by the name of the street, avenue, square, lane, alley, court or place for the change of grade for which the assessment was made. And the City Treasurer shall transfer to said fund such sum or sums as the Supervisors may have ordered to be paid or advanced for or on account of such improvement out of that fund in the treasury of the City and County from which such appropriation is made. Payment shall be made from said fund to the parties entitled thereto, upon warrants issued by the Secretary of the Board of Public Works on order of said Board.

Section 13. When sufficient money is in the hands of the City Treasurer to pay the total cost for damages, as well as the cost of doing the work, and all other expenses connected therewith, it shall be the duty of the Board of Public Works to notify the owner, possessor or occupant of the premises damaged, and to whom damages have been awarded, that a warrant has been drawn for the payment of the same, which may be received at the office of said Board of Public Works.

Such notification may be made by depositing a notice, postage paid, in the United States Post Office, at San Francisco, addressed to his last known place of residence. If, after the expiration of three days from the service or deposit of the notice in the Post Office, he shall not have applied for such warrant, the same shall be drawn and deposited with the City Treasurer to be delivered to him upon demand.

Section 14. After the contractor to whom has been awarded the contract for regrading, repaving, sewerage, sidewalk, curbing, or otherwise improving such street or streets, has fulfilled his contract to the satisfaction of the Board of Public Works and the City Engineer has certified to the completion of said work, the Secretary of the Board of Public Works, on order of said Board, shall issue a warrant, payable out of said fund, in favor of such contractor in payment for such work.

Section 15. In case of a deficiency of the fund to pay the whole assessed cost and damages, the Board of Supervisors may in its discretion, order the balance thereof to be distributed by the Board of Public Works upon the property assessed, by a supplementary assessment, or direct the payment of such balance to be made from the City Treasury; but in the event that a supplementary assessment is ordered, in order to avoid delay, the Board of Supervisors may advance such balance out of any available fund in the Treasury and reimburse the same from the collection of assessments. The Treasurer shall pay such warrants in the order of their presentation.

Section 16. The Board of Supervisors may, in its discretion, order, by ordinance, that the whole or any part of the cost and expense of any of the work hereinbefore in this Chapter mentioned or the damages resulting therefrom, be paid out of the Treasury of the City and County from such fund as the Board of Supervisors may designate. Whenever a part of such cost or expense is so ordered to be paid before the making of an assessment therefor, the Board of Public Works, in making up the assessment heretofore provided for such cost or expense, shall first deduct from the whole cost and expense such part thereof as has been so ordered to be paid out of the municipal treasury, and shall assess the remainder of said cost and expense proportionately upon the lots, parts of lots and lands in said assessment district; or liable to be assessed for such work, and in the manner hereinbefore provided.

# CHARTER AMENDMENT

## No. 12

### DESCRIBING AND SETTING FORTH

a proposal to the qualified electors of the City and County of San Francisco, State of California, to amend the Charter of said City and County by repealing Sections Nos. 1 to 19 inclusive of Chapter III of Article VI of said Charter, and by adding new sections to said Chapter of said Article of said Charter, to be known and designated as Sections 1 to 19 inclusive thereof, all relating to the opening, extending, widening, straightening or closing up of streets and the performance of street work in connection therewith, and the condemnation and acquisition of land and property necessary therefor.

The Board of Supervisors of the City and County of San Francisco hereby submits to the qualified electors of said City and County at the general election to be held therein on the 5th day of November, 1907, a proposal to amend the Charter of said City and County as follows:

That the title of Chapter III of Article VI of said Charter be changed so as to read as follows:

### CHAPTER III. OPENING, EXTENDING, WIDENING, STRAIGHTENING OR CLOSING UP OF STREETS AND THE CONDEMNATION AND ACQUISITION OF LAND AND PROPERTY NECESSARY THEREFOR AND THE PERFORMANCE OF STREET WORK IN CONNECTION THEREWITH.

That Sections 1 to 19 inclusive of Chapter III of Article VI of said Charter providing for the opening, straightening, widening and extending of streets, be repealed.

That new sections be added to Chapter III of Article VI of the Charter, to be known and designated as Sections 1 to 19 inclusive of Chapter III of said article, and to read as follows:

Section 1. Whenever the public interest or convenience may require, the Supervisors shall have full power and authority to order the opening, extending, widening, straightening or closing up, in whole or in part, of any street, avenue, lane, alley, court, or place within the City and County and to condemn and acquire any and all land and property necessary and convenient for that purpose.

Section 2. Before ordering any work to be done or improvement made, which is authorized by the preceding section, the Supervisors shall pass a resolution declaring their intention so to do, describing the work or improvement, and the land deemed necessary to be taken therefor, and specifying the exterior boundaries of the district of lands to be

affected or benefited by said work or improvement, and to be assessed to pay the damages, costs and expenses thereof.

The Supervisors may, in and by said resolution, declare and determine that the whole cost and expense of such work or improvement, or any proportion thereof, shall be paid out of the revenues of the City and County.

Section 3. The Clerk of the Supervisors shall transmit to the Board of Public Works a certified copy of such resolution, and upon receipt thereof said Board of Public Works shall cause to be conspicuously posted along the line of said contemplated work or improvement, at not more than three hundred feet in distance apart, but not less than three in all, notices of the passage of said resolution. Said notice shall be headed "Notice of Public Work," in letters not less than one inch in length, shall be in legible characters, state the fact of the passage of the resolution, its date, and briefly the work of improvement proposed, and refer to the resolution for further particulars. Said Board shall also cause a notice, similar in substance, to be published for a period of ten days in the official newspaper.

Section 4. Any person interested objecting to said work or improvement, or to the extent of the district or lands to be affected or benefited by said work or improvement, and to be assessed to pay the cost and expenses thereof, may make written objections to the same within ten days after the expiration of the time of the publication of said notice, which objection shall be delivered to the Clerk of the Supervisors, who shall endorse thereon the date of its reception by him, and at the next meeting of the Supervisors after the expiration of said ten days lay said objection before the Supervisors, who shall fix a time for hearing said objections, not less than one week thereafter. The Clerk of the Supervisors shall notify the persons making such objections by depositing a notice thereof in the Post-office, postage prepaid, addressed to such objector.

Section 5. At the time specified or to which the hearing may be adjourned, the Supervisors shall hear the objections urged, and pass upon the same, and their decision shall be final and conclusive. If such objections are sustained all proceedings shall be stopped, but proceedings may again be commenced at any time by giving notice of intention to do said work or make said improvement. If such objection is overruled by the Supervisors, the proceedings shall continue the same as if such objection had not been made. At the expiration of the time prescribed, during which objections to said work or improvement

may be made, if no objections shall have been made, or if objections shall have been made and the Supervisors, after hearing, shall have overruled the same, the Supervisors shall be deemed to have acquired jurisdiction to order any of the work to be done or improvement to be made which are authorized by Section 1 of this Chapter, and by resolution shall order said work to be done or improvement to be made, as the case may be.

Section 6. Upon the passage of said resolution the Clerk of the Supervisors shall transmit a certified copy thereof to the Board of Public Works. Upon receipt of the same said Board of Public Works shall proceed to view the lands described in the resolution of intention, and may examine witnesses on oath to be administered by any member of said Board in relation thereto. Having viewed the land to be taken, and the improvements affected, and considered the testimony presented, they shall proceed with all diligence to determine the value of the land and the damage to improvements and property affected, and also the amount of the expenses incident to said work or improvement, and, having determined the same, shall proceed to assess the same upon the district of lands declared benefited, the exterior boundaries of which were fixed by the resolution of intention provided for by Section 2 hereof. Such assessment shall be made upon the lands within said district in proportion to the benefit to be derived from said work or improvement, so far as said Board can reasonably estimate the same, including in such estimate the property of any railroad company within said district, if such there be. In case, however, the Supervisors shall have declared that the whole of such expense shall be paid out of the revenues of the City and County, then no such assessment shall be made, but the Board of Public Works shall, in such event, report to the Supervisors in detail an estimate of the value of the land to be taken, the damages to improvements and the amount of expenses incident to said work, and if the Supervisors shall approve such estimate they shall order the amount so fixed to be paid to the persons respectively entitled thereto, as in Section 15 hereof provided.

Section 7. Said Board of Public Works having made their assessment of benefits and damages, shall, with all diligence, make a written report thereof to the Supervisors, and shall accompany their report with a plat of the assessment district showing the land taken or to be taken for the work or improvement, and the lands assessed, showing the relative location of each district, block, lot, or portion of lot, and its dimensions, so far as can

be reasonably ascertained. Each block or lot, or portion of lot, taken or assessed, shall be designated and described in said plat by an appropriate number, and a reference to it by such descriptive number shall be sufficient description of it in any suit entered to condemn, and in all respects. When the report and plat are approved by the Supervisors, a copy of said plat, appropriately designated, shall be filed by the Clerk thereof in the office of the Recorder of the City and County.

Section 8. Said report shall specify each lot, subdivision or piece of property taken or injured in the widening or other improvement, or assessed therefor, together with the name of the owner or claimants thereof, or of persons interested therein as lessees, incumbrancers, or otherwise, so far as the same are known to said Board of Public Works, and the particulars of their interest, so far as the same can be ascertained, and the amount of value or damage, or the amount assessed, as the case may be.

Section 9. If in any case the Board of Public Works find that conflicting claims of title exist, or if they shall be in ignorance or doubt as to the ownership of any lot of land, or of any improvements thereon, or of any interest therein, it shall be set down as belonging to unknown owners. Error in the designation of the owner or owners of any lot of land or improvements, or of the particulars of their interest, shall not affect the validity of the assessment or of the condemnation of the property to be taken.

Section 10. Said report and plat shall be filed in the Clerk's office of the Supervisors, and thereupon the Clerk of said Board shall give notice of such filing by publication for at least ten days in the official newspaper. Said notice shall also require all persons interested to show cause, if any, why such report should not be confirmed, before the Supervisors on or before a day fixed by the Clerk thereof, and stated in said notice, which day shall not be less than thirty days from the first publication thereof.

Section 11. All objections shall be in writing, and filed with the Clerk of the Supervisors, who shall, at the next meeting after the day fixed in the notice to show cause, lay the said objections, if any, before the Supervisors, who shall fix a time for hearing the same, of which the Clerk shall notify the objectors in the same manner as objectors to the original resolution of intention. At the time set, or at such other time as the hearing may be adjourned to, the Supervisors shall hear such objections and pass upon the same; and at such time, or, if there be no objections, at the first meeting after the day set in said order to show cause, or such

other time as may be fixed, shall proceed to pass upon such report, and may confirm, correct or modify the same, or may order the Board of Public Works to make a new assessment, report and plat, which shall be filed, notice given, and hearing had, as in the case of an original report. If the Supervisors shall have determined that a certain proportion of the cost and expense of such work and improvement shall be paid out of the revenues of the City and County, they shall deduct such proportion from the total amount of the cost and expense thereof as finally fixed and determined in and by said assessment and report, and the amount of such proportion shall be paid out of any revenues appropriated for such purpose to the persons respectively entitled thereto, at the same time and in the same manner, as in Section 15 hereof provided, and the balance shall be raised by assessment as hereinafter provided.

Section 12. The Clerk of the Supervisors shall forward to the Board of Public Works a certified copy of the report, assessment and plat, as finally confirmed and adopted by the Supervisors, with a statement of any deduction that may be made on account of payments made out of the revenues of the City and County, as in Section 11 provided. Such certified copy shall thereupon be the assessment roll. Immediately upon receipt thereof by the Board of Public Works the assessment therein contained shall become due and payable, and shall be a lien upon all the property contained or described therein.

Section 13. The Board of Public Works shall thereupon give notice by publication in the official newspaper for ten days that it has received said assessment roll, and that all sums levied and assessed in said assessment roll are due and payable immediately, and that the payment of said sums is to be made to said Board within thirty days from the date of the first publication of said notice. Said notice shall also contain a statement that all assessments not paid before the expiration of said thirty days will be declared to be delinquent, and that thereafter the sum of 5 per cent upon the amount of each delinquent assessment, together with the cost of advertising each delinquent assessment, will be added thereto. When payment of any assessment is made to said Board of Public Works it shall cause to be written the word "paid," and the date of payment, opposite the respective assessments so paid, and the names of persons by or for whom said assessment is paid, and shall if so required, give a receipt therefor. On the expiration of said thirty days all assessments then unpaid shall be and become delinquent, and said Board of Public Works shall certify such fact at

the foot of said assessment roll and shall add 5 per cent to the amount of each assessment so delinquent.

Section 14. The said Board of Public Works, shall within five days after the date of said delinquency, proceed to advertise and collect the various sums delinquent, and the whole thereof, including the cost of advertising, which last shall not exceed the sum of fifty (50) cents for each lot, piece or parcel of land separately assessed, by the sale of the assessed property in the same manner as is or may be provided for the collection of state and county taxes; and after the date of said delinquency, and before the time of such sale herein provided for no assessment shall be received unless at the same time the 5 per cent added thereto, as aforesaid, together with the costs of advertising then already incurred, shall be paid therewith. Said list of delinquent assessments shall be published for five days in the official newspaper before the day of sale of such delinquent assessment. Said time of sale must not be less than seven days from the date of the first publication of said delinquent assessment list, and the place must be in or in front of the office of said Board of Public Works. All property sold shall be subject to redemption in the same time and manner as in sales for delinquent state and county taxes; and the Board of Public Works may collect for each certificate fifty cents and for each deed one dollar. All provisions of the law, in reference to the same and redemption of property, for delinquent state and county taxes in force at any given time, shall also then, so far as the same are not in conflict with the provisions of this act, be applicable to the sale and redemption of property for delinquent assessments hereunder, including the issuance of certain certificates and execution of deeds. The deed of the Board of Public Works made after such sale, in case of failure to redeem, shall be prima facie evidence of the regularity of all proceedings hereunder, and of title in the grantee. It shall be conclusive evidence of the necessity of taking or damaging the lands taken or damaged, and of the correctness of the compensation awarded therefor. The Board of Public Works shall, from time to time, pay over to the City Treasurer all moneys collected by it on account of any such assessments. The Treasurer shall, upon receipt thereof, place the same in a separate fund, designating such fund by the name of the street, avenue, square, lane, alley, court or place for the widening, opening or other improvement of which the assessment was made. Payment shall be made from said fund to the parties entitled thereto upon warrants signed by the

members of the Board of Public Works, or a majority of them.

Section 15. When sufficient money is in the hands of the Treasurer, in the fund devoted to the particular work or improvement, to pay for the lands and improvements taken or damaged, and when in the discretion of the Board of Public Works the time shall have come to make payments, it shall be the duty of said Board to notify the owner, possessor or occupant of any land or improvements thereon to whom damages shall have been awarded, that a warrant has been drawn for the payment of the same, and that he can receive such warrant at the office of said Board upon tendering a conveyance of any property to be taken; such notification, except in the case of unknown owners, to be made by depositing a notice, postage paid, in the postoffice, addressed to his last known place or abode or residence. If at the expiration of thirty days after the deposit of such notice he should not have applied for such warrant, and tendered a conveyance of the land to be taken, the warrant so drawn shall be deposited with the Treasurer and shall be delivered to such owner, possessor or occupant upon tendering a conveyance as aforesaid, unless judgment of condemnation shall be had, when the same shall be cancelled.

Section 16. If any owner of land to be taken neglects or refuses to accept the warrant drawn in his favor as aforesaid, or objects to the report as to the necessity of taking his land, the Board of Public Works shall report such fact to the Supervisors, who shall thereupon cause proceedings to be taken for the condemnation thereof, as provided by law under the right of eminent domain. The complaint may aver that it is necessary for the city to take or damage and condemn the said lands, or an easement therein, as the case may be, without setting forth the proceedings herein provided for, and the resolution and ordinance ordering said work to be done shall be conclusive evidence of such necessity. Such proceedings shall be brought in the name of the City and County, and have precedence, so far as the business of the court will permit, and any judgment for damages therein rendered shall be payable out of such portion of the special fund as may remain in the treasury, so far as the same can be applied. At any time after trial and after judgment has been entered, or preceding an appeal, the court may order the Treasurer to set apart in the Treasury a sufficient sum from the fund appropriated to the particular improvement to answer the judgment and all damages, and thereupon may authorize and order the City and County

to enter upon the land and proceed with the proposed work and improvement. In case of a deficiency in said fund to pay the whole of such judgment and damages, the Supervisors may, in their discretion order the balance thereof to be paid out of the general fund of the treasury or to be distributed by the Board of Public Works over the property by a supplementary assessment; but in the last named case, in order to avoid delay, the Supervisors may advance such balance out of any appropriate fund in the Treasury and reimburse the same from the collections of the assessment. Pending the collection and payment of the amount of the judgment and damages, the court may order such stay of proceedings as may be necessary.

Section 17. The Treasurer shall pay such warrants out of the appropriate fund, and not otherwise, in the order of their presentation, provided, that warrants for land or improvements taken or damaged shall have priority over warrants for charges and expenses, and the Treasurer shall see that sufficient money is and remains in the fund to pay all warrants of the first class before paying any of the second.

Section 18. If after the sale of property for delinquent assessments there should be a deficiency, and there should be unreasonable delay in collecting the same, or if for the purpose of equalizing the assessments supplying a deficiency, or for any cause it appears desirable, the Board of Public Works may so report to the Supervisors, who may order them to make a supplementary assessment and report the same in manner and form as the original, and subject to the same procedure. If by reason of such supplementary assessment, or for any cause there should be at any time a surplus, the Supervisors may appropriate the same and declare a dividend pro rata to the parties paying the same, and they, upon demand, shall have the right to have the amount of such pro rata dividends refunded to them, or credited upon any subsequent assessment for taxes made against said parties in favor of said City and County.

Section 19. If any title attempted to be acquired by virtue of this act shall be found to be defective from any cause the Supervisors may again institute proceedings to acquire the same as in this Chapter provided, or otherwise, or may authorize the Board of Public Works to purchase the same and include the cost thereof in a supplementary assessment, as provided in the last section.
